DAILY LOG

Office of the Deputy Director

10/11/62
DDC

Date 10 October 1962

1. [] Deputy Chief, [] advises that October 18th has tentatively been scheduled for the briefing of Admiral Dennison's CINCLANT group. He is coordinating with Dick Helms and [] has already coordinated with Ray Cline.

2. []
[] which indicates that the Berlin Wall was constructed to reduce to a minimum NATO's possibilities of using West Berlin to undermine the economy of East Germany, and that the Soviet government wishes to press for an early conclusion of a German peace treaty, and that the sovereignty of East Germany must and shall be protected. It is not considered of sufficient interest to send to [] (TS#182793)

4. Through 8 October there had been three additional cease fire violations in Laos. (ER 62-7314 & 7356)

5. Hilsman Reports:

a. A lengthy paper on the Sino-Soviet Economic Offensive Through 30 June. Existing capabilities give the Kremlin sufficient economic and technological power to meet commitments under present aid and trade agreements. (ER 62-7333)

b. Based upon President Toure's imminent visit to Washington, a paper is published on Guinea indicating that ~~Guinea~~ occupies a symbolic position which gives it political importance out of all proportion to its size. It also indicates that although Guinea is not completely forsaking the East, it is adopting a framework of neutralism. ^{and} Guineans are becoming increasingly accessible to the West. (ER 62-7334)

Approved For Release 2002/11/14 : CIA-RDP80B01676R001300090037-1
